FREEDOM SINGLE RIGGER

Start building your light show around the Admiral Single riggers and create a spectacular wall of light for your show. The Single rigger is a simple solution that creates a wonderful effect using length profiles from our Freedom system.

KEY FEATURES FREEDOM SYSTEM

Versatile modular system

The modular nature of the system allows you to use its basic components to set up a new construction for every occasion.

Unique setup

The different hanging options and numerous length and width combinations allow you to create your one of a kind light show construction.

Extendable

All the Freedom System setups can be further extended either vertically or horizontally.
